**UPDATE MAY SMC**

**Selection Process***Objective*

To identify those athletes who, in the opinion of the State Team Selection Committee as ratified by the SA RG SMC and GSA Board, are likely to achieve the best possible results at the National Championships.

The State Team Selection Committee will select the best athletes, **who meet the agreed criteria**, to represent GSA.

The SA RG SMC and GSA Board of Directors will ratify the team selection.

**UPDATE MAY SMC**

The SA RG SMC will announce the State Team at the State Championships.

Any athlete who has not met the previously stated Selection Criteria will not be considered for selection.

Individual Athletes will be ranked according to the average of their two best All Around scores from the Nominated Selection Events in order to ascertain the top 6 athletes in each Level for the State Team.

Groups will be ranked according to the average of their two best All Around scores from the Nominated Selection Events in order to ascertain the top 3 Groups in each Category for the State Team.

In the case of a tie for the final place of the team, the ranking will be determined by the following criteria:

- The Individual Athlete/Group with the highest total average Execution score from the two best trials (All Around Score) prevails.
- The Individual Athlete/Group with the highest total average Difficulty score from the two best trials (All Around Score) prevails.

If there is still a tie, the State Team Selection Committee will determine the best way to break it. When considering Special Consideration Athlete(s), the State Team Selection Committee may consider all or some of the following factors (not listed in any order of priority) and may give such weight to any or all of these factors as the State Team Selection Committee in its complete discretion sees fit:

- Performances at Nominated Selection Events
- Past State and National results (over the preceding 6 months)
- Possible team composition and possible All Around or Individual Apparatus medals during National Championships.

No other selection criteria will be considered in selecting the State Team.
